

# 2023 NEWSLETTER

## 2023-2024 MEMBERSHIP

Its never too early to renew your membership. Return the enclosed application by mail with payment to renew. Please fill in your application carefully, and fill in each step completely. YOUR EMAIL ADDRESS IS IMPORTANT!

## FOR FAMILY MEMBERSHIPS

List spouse and all children less than 18 years of age, even if they are not registering a sled. This is imperative as all listed members are eligible for Accidental Death insurance through your NYSSA membership.

If you have questions regarding your club membership, please contact us.

\*\*If you do not have a sled, and want to help the club out, please see a club member about a gratuitous membership.

## EDUCATION

Have you heard about our Safety Education classes? Margaret and Ed are always ready to have your kids but have found they have adults who want to join in on the fun. They invite you to join them if you want and take the class with your child or grandchild. Just make sure you register online. They have found the adults enjoy it and have many who say, "Wow I didn't know that."

Margaret and Ed look forward to getting started with classes so watch our Facebook or go to: <https://parks.ny.gov/recreation/snowmobiles/education> and look for us, stay tuned, there will be one coming up soon! Thank you to all of our previous students, you are all amazing, and we are so glad you joined us for the day. Ride Right and Always wear your helmet!

A special Thank You to Zoey, our future instructor for all you do to help us out and Congratulations for receiving NYSSA's Youth Snowmobiler of the Year! We couldn't be any prouder to acknowledge you completed our class and have stepped up to learn more.

Congratulations!!

## CHAINSAW FUNDRAISER

Thank you to our landowners, without you we could not have such a great trail system. Our volunteers did everything they could to give us a great season even with the challenges we were given. Warm temperatures and less than normal snowfall throughout the state led to increased traffic in the Boylston area. Groomer operators did what they could to make our trails the best they could despite Mother Natures resistance. During the spring and summer our volunteers will continue to improve our trail system by adding a few new routes to C5E, which has been an ongoing project to get snowmobiles off the road and into the woods. We are continuously working with private landowners, county, and state agencies to bring our members a great snowmobiling experience. Later in this newsletter you will see where the club is reaching out for help in a few different ways. Please consider lending a helping hand to our volunteers that work so hard all year long to provide us all with such a great snowmobiling experience. Thank you for your support,  
Jerry Arzie

# FUNDRAISING UPDATE

Thanks for the help of our hardworking volunteers, supporters, and sponsors. We are proud to announce that the Pulaski Boylston Snowmobile Club will be constructing a second groomer barn!

We recently acquired a parcel of land from our friends, the Sandy Creek Beagle Club, at the corner of McKibben Rd and County Route 50 in Boylston, directly on our C5A trail. This location was chosen strategically to allow grooming operations of our snowier and higher traffic trails to be done quickly and more efficiently, with less wear and tear on equipment.

The club is asking for the continued support of our members, sponsors, and anyone who enjoys our trails in making this dream a reality. If you have carpentry, masonry, and/or any other skills and are willing to help, please reach out to any of our club officers or directors.

We have been working hard to raise funds for this project. To make your contribution, consider purchasing an engraved tile. Tiles will be installed at our new groomer barn, when construction allows, to display the generosity of our donors. Tiles can be purchased online at [www.polarengraving.com/pbsnowmobilec](http://www.polarengraving.com/pbsnowmobilec), or you can fill out our form included in this newsletter.

If you are looking to support our club in person, we have many fundraising events quickly approaching. Check out our Calendar of Events to see what we have going on!

Aside from our weekly Car Cruise Nights and monthly Chicken BBQ's, our next big fundraising event will be our Vendor and Craft Fair on August 19<sup>th</sup>. We are actively seeking vendors for this event, call Allyson at (315)806-0311 for more information.

We are hosting fundraising events that bring our community together. Our recent 2<sup>nd</sup> Annual Vintage Snowmobile Show was another success with 42 snowmobiles entered. We look forward to holding show again next year.

Our weekly Car Cruise Nights continue to grow, with more and more of our classic car loving neighbors coming out to have a good time with us. This year we have begun to include vendors as part of our Cruise Night Family, to serve ice cream and lemonade alongside our delicious dinner menu. If you haven't attended one of our Cruise Nights yet, you're missing out!

The exciting growth of our club wouldn't be possible without our amazing members, supporters, sponsors, landowners, and volunteers helping us make these fundraisers successful.

Thank You,

Rebecca Munro – Director of Fundraising
